VISION is the St. Louis region's **ONLY** Inclusion Innovation Conference that celebrates, educates, and supports women, people of color, and foreign-born emerging entrepreneurs and existing business owners.

In 2021, we are back, in person! Connecting and collaborating is a key element for Vision, and we are so excited to be in person this year. Outdoor networking sessions will be available and social distancing will be a key factor for event design.

Now in its 7th year, this **ONE-DAY CONFERENCE** will feature industry experts, high-impact breakout sessions, access to business resources and networking opportunities.

- | FREE Business Headshots
